

BHW60WH Speaker Set In/Outdoor 6" 120W 100V White

The BHW speaker series is designed for both residential and commercial use and is built to withstand exposure to water without compromising sound quality. The grille is constructed from marine grade aluminium and painted with long lasting industrial strength powder coat to withstand harsh environments. Thanks to the specially-designed bracket, you can easily adjust the speaker both horizontally and vertically, ensuring optimal sound projection in any environment. Ideal for outdoor events, swimming pools, terraces, garden areas and marine or boat use.
