## HS650 Full Range Horn Speaker 2-Way IP66

The HS650 is a 2-way, full-range multi-function horn loudspeaker that guarantees an extremely wide dispersion thanks to its conical design. It is designed to provide high-quality, full-range sound projection in a variety of indoor and outdoor applications. The IP66 degree of protection makes it safe for use in all weather conditions. For use in example: schools, shopping malls, factory halls, DIY stores, sporting arenas, stadiums and other big open spaces.
